Description

BRAND NEW FAE TRACKED CARRIERS WITH CAB AND REMOTE CONTROLLED PT175 PT300 PT500 RCU55 RCU75 RCU120 RCU45 PT300 D-MINE BAC MACHINE AVAILABLE NATION WIDE & INTERNATIONAL DELIVERY LIKE OUR PAGE FOR ALL NEW LISTINGS: @dwlmachinery Ph: Andrew 0401 873 538 or 1300 DIAL DWL -Finance is available on all of our equipment _____ DWL Machinery is a liquidation and clearance company who sell direct to the public. Most of our plant and machinery comes direct from Government departments, the Australia Defence Force, local councils, fleet & leasing companies, bank & finance matters We are a bucket and attachment dealer for excavators and skid steers including your favourite brands like FAE, Digga, Norm engineering, Sureweld, Auger Torque and ABS. _____ How to find the FAE tracked carrier thats right for you Do you want a compact, extremely easy-to-handle vehicle thats designed specifically for tackling forestry jobs, guaranteeing superior agility and high efficiency? FAE has the 173 hp PT175 with oscillating undercarriage paired with the FAE 140/U forestry mulcher with Sonic technology or with a 200/SC stump cutter. Are you looking for a compact and powerful tracked or self-propelled mulcher with a roomy cab? FAE recommends the PT300 with CAT 7.1, 6-cylinder, 302 hp engine, built with an oscillating undercarriage and combinable with different FAE equipment: forestry mulchers with Sonic technology, forestry tillers, stump cutters, and dozer blades. Do you want an extremely high performing tracked carrier with a powerful CAT C13 Acert, 6-cylinder, 536 hp engine? FAE has just what you need! The PT550 with oscillating undercarriage is perfect for pairing with a forestry mulcher, a stump cutter, or a multitask head. Its large size and tracks up to 810 mm wide mean that it will always work dependably on soft, uneven, or marshy ground. The spacious cab is unrivaled when it comes to comfort, ergonomics and operator safety. How much does a FAE tracked carrier cost? The cost of a FAE tracked carrier depends on how its equipped. Contact us to find the best solution for your needs. Applications for FAE tracked carriers FAE tracked carriers are specifically designed for maximum safety and extremely high output, even in the harshest working environments. With FAE tracked carriers, you can perform forestry maintenance, fire mitigation, and power line and oil and gas R.O.W. maintenance with complete peace of mind and maximum operating capacity. Additionally, you will be able to maintain large plantations. For more info on tracked carriers please see the link below https://www.fae-group.com/en_AU/products/land-clearing/tracked-carriers/land-clearing-tracked-carriers How to choose an FAE remote controlled tracked carrier Do you need to work in an area thats hard to reach or on a steep incline? You can rely on the RCU for guaranteed efficiency and operator safety. Do you need to shred branches or shrubs up to 12 cm in diameter? Get the RCU55 with th BL1/RCU forestry mulcher with Bite Limiter technology. Do you need to shred branches or shrubs up to 15 cm in diameter? Get the RCU75 with the BL2/RCU forestry mulcher with Bite Limiter technology. Do you need to cut grass, shred brambles, branches or small bushes up to 8 cm in diameter? The best head is the PMM/RCU swinging hammer forestry mulcher. Do you need to cut stumps up to 50 cm deep? Try the RCU with the SCL/RCU stump cutter head. Are you looking for a remote controlled mulcher of stump cutter? Choose the RCU. How much does an FAE remote controlled tracked carrier cost? The cost of an FAE remote controlled tracked carrier depends on how its equipped. Contact us for a quote. Applications for FAE remote controlled tracked carriers The RCU is designed for maintaining green areas along roadsides or in wooded areas. Its versatility makes it perfect for working in hilly and wooded areas, near railroad tracks, power lines, gas and oil pipelines, in nurseries, and near roads, highways, canals, rivers and lakes. For more info on remote tracked carriers please see the link below https://www.fae-group.com/en_AU/products/land-clearing/tracked-carriers/compact-remote-controlled-tracked-carriers For more info on the PT300 Demining BAC Machine and attachments please see the link below https://demining.fae-group.com/pt300-d-mine _____ We are a bucket and attachment dealer for excavators and skid steers including your favourite brands like FAE, Digga, Norm engineering, Sureweld, Brian James Trailers, Auger Torque and ABS. - Accepted payment methods: Internet transfer, cheque, cash, Paypal or credit card.
