Description

SEM HIRE Contact us for further information on availability and rates 1800 SEM HIRE bookings@semhire.com.au ---------- The Morooka MST-800VD is a heavy-duty rubber tracked crawler carrier built for transporting materials across soft, muddy, steep, and challenging terrain with minimal ground disturbance. Powered by a 109 HP Mitsubishi diesel engine and hydrostatic transmission, it delivers strong performance, excellent traction, and reliable operation in demanding conditions. With a 4,800 kg payload capacity, 6,500 kg operating weight, 600 mm rubber tracks, and low ground pressure, the MST-800VD is ideal for civil construction, forestry, mining, infrastructure, and utility projects where conventional wheeled dumpers are limited. ----------
