Forget all the airbags and passive safety devices you see out there that only help you AFTER a crash; this truck has something no others have. Vehicle stability control (VSC).VSC is intelligent and will actively stop you from having a crash by applying brakes to each wheel independently when its detects the truck may be losing traction, entering a slide or a spin. Let your family know that when you're at work, you're in good hands with Hino. Need finance? No worries! we have an in house business manager and offer exclusive finance through Hino / Toyota finance. So call in and speak with Chris, he'll show you just how easy it is to buy this truck today We are Australia's longest serving Hino dealer and have been operating from the same site for over 45 years. We spend a great amount of time and effort to ensure that each truck, new or used, is presented in a way that reflects our reputation for excellence. * The List Price includes GST but excludes registration, stamp duty, CTP insurance and other government or statutory charges which will vary between states/territories and will depend on the vehicles specifications and/or intended application. Please contact one of our sales team for a drive-away price.
