Description

FOLLOW US FOR ALL NEW LISTINGS: @dwlmachinery Ph: Andrew 0401 873 538 or 1300 DIAL DWL _____ The Develon DX55R-7 mini excavator is a robust and versatile machine, perfectly suited for projects that demand power in confined spaces. Its reduced tail swing design, paired with an increased counterweight, ensures superior stability and allows for offset digging, maximizing its reach and effectiveness on the job site. With a 47.1 hp turbocharged engine and a maximum digging depth of 11 11, this excavator delivers exceptional performance for a variety of tasks. The cab is designed with the operator in mind, offering a comfortable, enclosed environment with powerful air conditioning and controls that mirror those of larger Develon excavators. When you purchase the DX55R-7 from DWL Machinery, youre not just acquiring a high-quality machineyoure partnering with a team dedicated to your long-term success. DWL Machinery provides a complete support package, including expert local service, readily available parts, and a team of specialists to assist with all your operational and maintenance needs. We are committed to minimizing your downtime and maximizing your productivity, ensuring that your investment with us continues to pay dividends for years to come. For a full spec sheet please see the link below to our website https://dwlmachinery.com.au/product/develon-dx55r-7-5-5t-tracked-excavator/ For more information please contact us at DWL Machinery on 1300 342 539
