## Description

The DEVELON DX100W-7 is a versatile mini wheel excavator designed to excel in projects with limited space. With a powerful 100.6 hp engine and a compact design, this machine delivers high performance without sacrificing agility. Its innovative four-wheel versatility offers three distinct steering modes, including a 4-wheel crab mode for diagonal movement, ensuring you can navigate any job site with precision. The cab is built for operator comfort and safety, featuring a heated air-suspension seat and an Around View Monitor camera system for enhanced visibility. Choosing the DX100W-7 from DWL Machinery means you're investing in a machine and a partnership. DWL Machinery provides unparalleled local support, expert service, and a complete inventory of parts to minimize downtime and keep your projects on schedule. Our dedication to customer service ensures that you have a reliable team backing you up, providing the expertise and resources you need to get the most out of your equipment.
