## Description

Ex Demo IN STOCK NOW The Freightliner Cascadia 116 XT Sleeper sets the benchmark for comfort, safety, and performance in a modern prime mover. Powered by the Detroit DD13, this Cascadia delivers an impressive 505hp (377kW) and 1,850 lb-ft (2,508Nm) of torque through the smooth and efficient DT12 Automated Manual Transmission. Built tough and designed for long-haul productivity, the Cascadia combines legendary Detroit performance with advanced driver technology and Freightliner's renowned durability — making it a serious contender for any fleet or owner-operator.
