Description

IVECO Daily 70C21 – Built to Work Harder Available now from IVECO – North East Group, the IVECO Daily 70C21 is the ultimate light rigid truck for operators who need strength, reliability, and versatility in one proven package. Powered by a responsive 2.1L turbo diesel engine delivering strong performance and excellent fuel efficiency, the Daily 70C21 is designed to handle demanding workloads with ease. Its heavy-duty chassis and impressive Gross Vehicle Mass make it ideal for towing, tray bodies, tippers, service bodies, and custom applications. Key Benefits Heavy-duty 7.0-ton GVM capability for serious payloads Robust ladder-frame chassis built for Australian conditions Strong turbo diesel performance with low running costs Car-like driving comfort with excellent visibility Advanced safety features including ABS, stability control, and driver aids Highly customizable to suit your business needs Proven IVECO reliability backed by nationwide support When you buy from IVECO – North East Group, you also get the confidence of expert local sales support, factory-trained technicians, and ongoing aftersales service to keep your business moving. If you're looking for a dependable, hard-working truck that delivers long-term value, the IVECO Daily 70C21 is ready to go to work. Contact IVECO – North East Group today to arrange an inspection or test drive.
