## Description

For Sale: 2025 ISUZU FVD 170 300 AT R47 – Ideal for All Tipper Applications Designed for Heavy-Duty Tasks – The 2025 ISUZU FVD 170 300 AT R47 is the perfect solution for any tipper application. Whether you're transporting construction materials, aggregates, or waste, this truck is built to deliver power, efficiency, and durability, making it an ideal choice for your business. Key Features: Engine Power: 300HP engine offering exceptional performance to handle the toughest loads and challenging work environments. Automatic Transmission: 6-speed automatic transmission for smooth, effortless gear changes, improving driver comfort and ease of operation. Built for Tipper Applications: The robust design and high payload capacity make the FVD 170 perfect for a variety of tipper tasks, from construction sites to waste management. Heavy-Duty Performance: Built with tough materials, capable of withstanding the demands of even the most strenuous applications. Modern Safety Features: Equipped with advanced safety systems such as ABS, traction control, and lane assist for maximum driver and cargo protection. Fuel Efficiency: Optimized for fuel economy without sacrificing performance, helping reduce operating costs over the long term. Low Mileage: A well-maintained truck with low miles, offering reliable service for years to come. Comfortable Cabin: Spacious, ergonomic cabin designed to keep drivers comfortable and productive on long shifts. Why Choose ISUZU FVD 170 300 AT R47 for Tipper Applications? Durability You Can Count On: ISUZU's proven track record for building tough, long-lasting trucks makes the FVD 170 the go-to vehicle for tipper and construction industries. Superior Payload Capacity: Built to handle heavy loads, making it perfect for construction, mining, and waste management jobs. Excellent After-Sales Support: ISUZU's extensive service network ensures you get the support you need, whenever you need it. Contact Us Today! Ready to take your business to the next level?
