Description

IVECO DAILY 70C21 19.6m³ – NEW VAN | 210HP | PREMIUM SPEC The IVECO Daily 70C21 19.6m³ sets the benchmark for heavy-duty panel vans, combining exceptional payload capability with premium comfort and advanced technology. Powered by a strong 210HP engine, this new van is designed for demanding commercial operations where performance, reliability, and driver comfort are essential. This model is equipped with the Hi-Business Pack and Hi-Comfort Pack, delivering a refined driving experience usually reserved for premium passenger vehicles. Inside, the cab is intelligently designed with advanced infotainment, connectivity features, and ergonomic controls to keep drivers productive and comfortable throughout the working day. The rear air suspension ensures superior ride quality and stability, even when fully loaded, while also improving ease of loading and protecting sensitive cargo. Suspended comfort seats further enhance long-distance comfort by reducing driver fatigue, making this Daily ideal for extended routes and high-mileage use. A side window improves visibility and natural light within the load area, adding both safety and practicality for specialist conversions or multi-drop operations. Key Features: 210HP high-performance diesel engine 19.6m³ load capacity Hi-Business Pack – advanced infotainment & connectivity Hi-Comfort Pack – enhanced cab comfort & ergonomics Rear air suspension for superior ride and load control Suspended comfort seats Side window for improved visibility Heavy-duty chassis built for maximum durability New vehicle – ready for immediate work The IVECO Daily 70C21 is the ideal solution for businesses that need serious capability without compromising on comfort, technology, or driver wellbeing.
