Description

Still under Isuzu Warranty until Feb 2030 or up to 250,000klms! One of our MY21 2022 Model Isuzu EX DEMO NLR45-150 AMT "Service Body X". Features AMT (Automated Manual Transmission), towbar, under tray storage/toolboxes, reverse camera, and Service body with gull-wing doors on either side. The next stage of what has been a very popular model is the ready to work Servicepack range. The Servicepack X incorporates a new design for the storage units, offering operators even greater access to their tools and loads than ever before. The doors open vertically to put everything in easy reach, all at once. The updates make this model better and even more adaptable for modern worksites and applications. Offering a 4,500 kg GVM allowing it to be driven on a car license and provides 110 kW (@ 2,800 rpm, and 375 Nm (@ 1,600 2,800 rpm, combined with an 8.9 m turning circle providing plenty of capacity to handle urban, rural, or worksite applications. It also features an area in the rear deck specifically engineered to suit many vocations.
