Description

The Develon DX35Z-7M mini excavator is engineered for top-tier performance, delivering strong digging and lifting force in a compact 3.99-ton package. Its zero-tail swing radius and boom swing function allow it to operate effectively in narrow, confined spaces, making it a versatile choice for a wide range of projects. With a digging depth of 3,275 mm and exceptional controllability, this machine ensures precision and efficiency on every job, from small-scale construction to landscaping. The operators cab is designed with convenience in mind, offering a 12V power socket and ample storage space to keep your team productive throughout the day. When you choose DWL Machinery for your DX35Z-7M, you're not just buying equipment; you're securing a long-term partnership with a trusted industry leader. We are dedicated to providing expert local support, comprehensive maintenance services, and a reliable supply of parts to ensure your machine performs at its best. Our commitment to our customers means that you can count on us to minimize downtime and maximize your productivity, giving you the confidence and peace of mind you need to succeed.
