Description

2026 Scanvogn 570 - Decontamination 6 person
Rapid decontamination. Field-deployable.

The Scanvogn decontamination trailer is designed for emergency services, hazmat response, and industrial applications where on-site decontamination capability is required. Self-contained water supply, multiple shower bays, and waste containment. Deployable within minutes of arrival on scene.

Used by emergency services and civil defence.
Scanvogn decontamination trailers are deployed by emergency management agencies across Europe and Australia. Built to perform in the most demanding field conditions.

Danish-designed. RVSA 2023 compliant. Ready to deploy.
Talk to us about water supply requirements and deployment setup for your agency.
