## Description

### 2026 Scenvogn 570 - Decontamination 6 person

Rapid decontamination. Field-deployable.

The Scenvogn decontamination trailer is designed for emergency services, hazmat response, and industrial applications where on-site decontamination capability is required. Self-contained water supply, multiple shower bays, and waste containment. Deployable within minutes of arrival on scene.

### Used by emergency services and civil defence.

Scenvogn decontamination trailers are deployed by emergency management agencies across Europe and Australia. Built to perform in the most demanding field conditions.

Danish-designed. RVSA 2023 compliant. Ready to deploy.

Talk to us about water supply requirements and deployment setup for your agency.
