## Description

Iveco Daily Tradie 45C – Built Tough for Serious Work The Iveco Daily Tradie 45C is the perfect solution for operators who need more strength, more payload and more capability than a standard ute or light van. With its truck-derived chassis and heavy-duty design, this cab chassis is built to handle demanding workloads while delivering everyday drivability. If your business needs a reliable, hard-working platform that can keep up with the job, the 45C Tradie is ready to go. Vehicle Overview The Daily 45C Tradie is engineered for trades and businesses that demand durability and flexibility. With a higher GVM and robust construction, it offers the ideal base for custom tray, service body or tool setups. Designed for Australian conditions, this model provides the strength of a truck with the ease of a light commercial vehicle. Key Features

- Powerful and efficient turbo diesel engine
- Smooth automatic transmission for stress-free driving
- Heavy-duty truck-style ladder chassis
- High GVM for increased payload capability
- Ready for tray, service body or specialised fit-outs
- Strong towing capability for added versatility
- Modern safety features for driver protection
- Comfortable and practical cabin for daily use

Built for Business The Iveco Tradie 45C is purpose-built for operators who need a dependable work platform:

- Tradespeople and mobile service technicians
- Construction and site work
- Electrical, plumbing and HVAC services
- Fleet and maintenance vehicles
- Landscaping and property services
- Equipment transport and towing applications

This is a vehicle that works as hard as you do, delivering the flexibility and durability your business relies on. You get the backing of industry-leading experience and support. Buy with Confidence Buy from ' commercial vehicle specialists who understand what your business needs to succeed. We offer:

- Expert guidance to match the right vehicle to your application
- Competitive finance solutions tailored to your business
- Trade-in options for a seamless upgrade
