Description

Freighter T3 PBS B Double Tautliner – 34 Pallet Combination – In Stock SA Cancelled customer order now available for immediate delivery from our SA yard. This Freighter T3 T-Liner tautliner combination was engineered as a PBS 27 metre B Double configuration and provides a full 34 pallet capacity setup. The trailers were originally designed around a Kenworth T610SAR with 5660mm wheelbase prime mover and built to Freighter’s Tier 3 Premium T-Liner specification for palletised freight operations. Lead 7.38m deck / Tag 13.3m deck – Full 34 pallet B Double configuration. **IMPORTANT PBS NOTE** These trailers were engineered for a PBS 27 metre B Double combination and designed around a 5660mm wheelbase prime mover. Prime mover selection is important. A cab over or short bonnet truck should suit 26 metre operation, however wheelbase and setup should be confirmed before purchase. We are happy to assist in confirming compatibility with your truck. **COMBINATION LAYOUT** 34 pallet B Double configuration Lead trailer deck 7,380mm Tag trailer deck 13,300mm Overall trailer height 4300mm Load aperture height Approx. 2725mm Internal pallet spacing designed to achieve full 34 pallet capacity across the B Double combination. **FREIGHTER T3 T-LINER BUILD SPECIFICATION** ■ Freighter Tier 3 Premium T-Liner build ■ Heavy duty Australian steel chassis ■ 100mm raised coaming ■ Aluminium roof construction ■ 3mm steel chequer plate floor ■ Sliding post curtainsider body ■ Welded strap curtains with T-coat finish ■ Heavy duty curtain tensioners ■ 25NB pipe tie rails for load restraint ■ Bevelled front wall with bow front design Lead trailer fitted with FRP rear wall.
