Most of our plant and machinery comes direct from Government departments, the Australia Defence Force, local councils, fleet & leasing companies, bank & finance matters. All equipment can be delivered Australia wide. Finance is available on all our equipment from 4.5%. DWL Machinery is also an attachment dealer and supplies all Australian delivered accessories and attachments for excavators and skid steer loaders. For any questions please phone Jacob from DWL Machinery. _____ Price of this listing is for a set of DIGGA 1500kg aluminium loading ramps. We stock Digga's complete range of aluminum ramps from 1000kg to 9000kg. Message us with what weight rated ramp you would like and we will list it for you. A light weight loading ramp with enhanced safety that delivers on quality, performance, and is cost effective. European designed and engineered, the new Digga Ezi-Loada ramps feature the most advanced design in the Australian market today. Digga's new aluminium loading ramps include a standard range (1t to 6.2t) and a Universal range (5.2t to 9t). Ezi-Loada Features & Benefits Patented extruded double T-rail with interlocking rungs 3 different connection methods Enhanced beam strength 18 Month Warranty CE, TUV and GS certification New stronger rung design Reinforced bottom and top rungs Low to the ground bottom rung Superior strength & durability Specs Photos Flyer Features & Benefits Standard Loading Ramp Range: Suitable for rubber tyres and rubber track machines Rung design prevents clogging up with mud, stones, and other debris reducing the risk of tyre/track slippage New rung design cleans the wheels/tracks as machines climb the ramp, minimising debris taken onto the truck New rung design allows operators to safely walk up the ramp Smoothest ride of any ramp on the market Universal Loading Ramp Range: Superior strength, versatility, and safety The first dual purpose loading ramp available for rubber, steel tracked, and wheeled machines Rungs are level with the top of the main supporting rail, minimising wear and providing greater durability Patented, studded rungs are machined from a solid, not hollow extrusion, minimising slip or loss of grip during the loading/unloading activity _____ Pick up is in Bringelly NSW 2179, we can deliver Australia wide. Sale price is PLUS GST and a tax invoice will be supplied to the buyer. We are a bucket and attachment dealer, please contact us for a quote for all your additional attachments and buckets for excavators and skid steers. We stock ABS buckets, Norm engineering attachments, Digga attachments and Sureweld ramps and trailers. Accepted payment methods: Internet transfer, cheque, cash, Paypal or credit card. Please note Paypal or credit card payments incur a 2% surcharge. Feel free to call Jacob from DWL Machinery for any further questions
