## Description

Mulcher with swinging hammers rotor for excavators having a weight between 6 and 13 t. Designed for underbrush, grass and bushes. It comes equipped with a variable displacement hydraulic piston motor. The optional stronger bearing for the back roller ensures best performance and maximum reliability when working on uneven terrain. The flow control valve allows easy mounting to the excavator without the need to adjust the flow (the valve will work automatically depending on the excavator). It can be equipped with flails or hammers for different types of applications. The standard equipment includes: -enclosed machine body -belt transmission -32/65cc variable manual displacement hydraulic piston motor with relief and anticavitation valve -flow control valve -hood with mechanical adjustment -adjustable skids -welded counter blade -rear roller -possiblility to have the rotor equipped with PML hammers or Y-flails Available on demand: customized attachment bracket, attachment plate with self leveling device, stronger bearing for back roller, mutiple flail options. DWL Machinery is a liquidation and clearance company who sell direct to the public. Most of our plant and machinery comes direct from Government departments, the Australia Defence Force, local councils, fleet & leasing companies, bank & finance matters. We are a bucket and attachment dealer for excavators and skid steers including your favourite brands like FAE, Digga, Norm engineering, Sureweld, Auger Torque and ABS. -Australia wide delivery and International shipping simply send us your location for a quote. Pick up is in Bringelly NSW Australia 2179 or Dandenong South VIC 3175 -Finance is available on all of our equipment -We accept trade-in's, email us photos and details of the machines for valuations. -Accepted payment methods: Internet transfer, cheque, cash, Paypal or credit card. Please note Paypal or credit card payments incur a 2% surcharge. Feel free to contact Jacob from DWL Machinery for any further questions about machinery, finance, trade-ins attachments and delivery.
