## Description

Forestry tiller for tractors between 150 and 300 HP with a max grinding diameter of 50 cm/16. This Heavy Duty tiller is designed and built to be used with medium to high power tractors. The HP version is equipped with a reinforced transmission and can grind stumps up to 50 cm/20 in diameter to a depths of 40 cm/16, for excellent depth soil reclamation. The soil is thus ready for planting without further processing. Multiple tooth options available for different environments. The standard equipment includes: -friction clutch on side PTO -PTO shaft with cam clutch -gearbox with freewheel -transmission with side gearbox -hydraulic hood -welded steel counter-blades -flat pressed welded steel protection counter-blades -enclosed machine body -centralized greasing hub -hydraulic top link -Z style self ranging system of the PTO drive shaft/gearbox -inside lateral protections -protection chains Available on demand: W style self aligning device between PTO drive shaft/gearbox, dozing blade (not compatible with roller), hydraulic controlled roller (not compatible with dozing blade), multiple tooth options. DWL Machinery is a liquidation and clearance company who sell direct to the public. Most of our plant and machinery comes direct from Government departments, the Australia Defence Force, local councils, fleet & leasing companies, bank & finance matters. We are a bucket and attachment dealer for excavators and skid steers including your favourite brands like FAE, Digga, Norm engineering, Sureweld, Auger Torque and ABS. -Australia wide delivery and International shipping simply send us your location for a quote. Pick up is in Bringelly NSW Australia 2179 or Dandenong South VIC 3175 -Finance is available on all of our equipment -We accept trade-in's, email us photos and details of the machines for valuations. -Accepted payment methods: Internet transfer, cheque, cash, Paypal or credit card. Please note Paypal or credit card payments incur a 2% surcharge. Feel free to contact Jacob from DWL Machinery for any further questions about machinery, finance, trade-ins attachments and delivery.
